Testing Infrastructure

Version 3, last updated by [wendy__mason](#) at 2011-06-10

Automated build testing

There is a [Hudson installation](#) available which can be used for automated building of filesender and testing the build. This is described on the [automated build](#) page. If you would like access, please contact the -dev list (see [Support and Mailinglists](#)).

Automated workflow testing

Work is underway to create [Automated Workflow Tests](#) of the latest code, using [Selenium](#).
